Parent of  
**Alia Tyagi**  
Class VII

My daughter has been studying in Lovely Public English School since kindergarten, the teachers teaches every topic deeply and I'm amazed how easily every line is remembered by her in a question, the teachers are amazing at teaching their subjects and they do it without making it look boring, history is a subject that might look boring to some students but the social science teacher has explained everything about the past in such a way that it's very easy to remember and study. Even the staffs of the school are very helpful and friendly towards the students. Playing is as important as studying therefore many games are taught in this school and are very essential and fun for the students to know and play them. There are picnics, educational trips, functions, frost fairs and many more things organized in the school for the students to learn new things in a fun way and enjoy. The interior and exterior of the school has also improved very much by time. This school is the best.

We are the parents of Azfar Khan and Munazza Zai of Class IV and Class II. Last year we have made a conscious decision of sending our children in Lovely Public English School Yojna Vihar. We are very happy to say that we made a right choice. LPESYV is doing excellent in all the field especially giving a lot of exposure to children. My children are getting a very healthy and safe environment. They gained a lot of confidence. My children are being groomed very well. I am confident that this school has set a solid foundation for their learning path and that they have developed a true love for learning. Teachers are very friendly, caring and supportive. Apart from this the main thing is that according to education, personality development program and school infrastructure, the fees structure is very nominal so that each parent can pay it off without any burden. I personally recommend this school to every parents.

## BASANT PANCHAMI CELEBRATION

### Seeking blessing of "Maa Saraswati"

Basant Panchami is an occasion which marks the advent of the spring season and is also celebrated to worship Saraswati, the Goddess of knowledge and wisdom. The day was celebrated in our school with great fervor and enthusiasm. The children of the pre-primary, primary and middle wing gave wonderful performance on the song "Hey Sharde Maa". The celebration commenced with the Saraswati Mantra invoking the blessings of Goddess Saraswati for seeking knowledge and a prosperous life.
