

Dr. (Mrs.) S.D. Malik  
Chairperson  
Lovely Group of Schools

### FROM THE CHAIRPERSON'S DESK...

*Don't teach your children to read.  
Teach them to question what they read.*

In Lovely Group of Schools, Education is a way of life & our students approach the school as the facilitator and incubator of a lifelong process of learning. We believe that the fallacious distinction between classroom education and 'real-life' experiences has created a lacuna in the education of the youth. Education is mistakenly viewed as an institution separate from 'real life'. This educational pedagogy, closely related to experiential learning, takes a holistic view of our students such that their development in the classroom is not disparate from their emotional, moral, interpersonal and social development. For our students to become leaders, they need an education that does not end in the classroom but rather begins there. The institution strongly believes in imparting good morals along with innate wisdom to sail through the storms of life and attain self actualization.

### FROM THE PRESIDENT'S DESK...

*"Education makes people easy to lead but difficult to drive; easy to govern, but impossible to enslave".*

Dr. Inder Malik  
President  
RPM Group of Schools

Striving for a dynamic academic atmosphere is a holistic task nowadays. So, the aim of Lovely Group of Schools is to make education an enriching, fulfilling and enjoyable experience through a multi disciplinary approach. We focus not only on 'what is taught' but also 'the way it is taught'. The curriculum is designed to be socially relevant, nationally important, and globally significant. Nurturing and fostering critical thinking and problem-solving attitude among students is imperative in our school. Hence, our continuous efforts are always aimed to elevate the intellectual and emotional capabilities of students and encourage the free and spirited exchange of ideas of our new generation. It is a collective endeavour of all of us to promote an inspirational, motivational, value-based academic and administrative environment for the students.

## FOOTBALL TOURNAMENT 2023-24

A thrilling and action-packed football tournament took place at our esteemed institution, ST. LAWRENCE PUBLIC SR. SEC. SCHOOL on 1st JULY 2023. This highly anticipated event showcased the athletic prowess and competitive spirit of our students, while fostering camaraderie and teamwork. This tournament was organised under the guidance of Mr. Shivam Malik and Respected DR. Inder Malik sir and DR. Mahima Malik graced the tournament with their presence. The tournament saw enthusiastic participation from students across the various branches of Lovely Group of Schools. Teams from different branches displayed immense dedication and passion, showcasing their skills on the field and creating an electrifying atmosphere for all spectators. The tournament concluded with a grand closing ceremony, where the winner team of ST. Lawrence Public Sr. Sec. School was acknowledged and celebrated for their outstanding performances.

## Guru is Inspiration, Guru is Aspiration

Guru Purnima celebration in Lovely Group of Schools served as a remarkable occasion to pay homage to the guiding lights of knowledge and express gratitude towards teachers. It was a joyous and memorable event where students and teachers celebrated the invaluable role of educators in shaping the future generation. Through performances and speeches, the celebration not only honoured teachers but also inspired students to appreciate the gift of knowledge and the transformative power of mentorship.

**Mr. Satyam Malik**  
Director

### DIRECTOR'S DESK

*The whole purpose of Education is to turn mirrors into windows...*

An education of the highest quality is the greatest gift that parents can give to their children. The next global generation will need exceptional academic and intellectual creativity to take on a position of leadership and address the many challenges that face our world. Given this, it is vitally important that leading schools in the 21st century provide a genuinely holistic international education to prepare learners for the responsibilities they will face in their lives.

Our curriculum is tailored to meet the needs of today's learners and is sensitive to different learning styles. A plethora of academic and co-curricular activities offer the opportunity to all the students to discover various facets of their personalities. At Lovely Group of Schools, we believe that children need not always be taught how to do things, instead, they should be encouraged to explore, discover and learn by reflection.

We pledge to fulfill the expectations of our parent community and set a benchmark that is unparalleled in the field of quality education.

## Unleashing the Rhythm of Talent and Creativity

The Inter Branch Dance Competition was conducted on July 19, 2023 in Plato Public Sr. Sec. School which was an electrifying event that brought together young dancers from various branches to showcase their talent, passion, and creativity in the realm of dance. It provided a platform for budding dancers to shine and encouraged them to explore the diverse world of dance forms.

# MATHS QUIZ

Our school being the epicentre of all kinds of activities whether academic or non academic, organised a maths quiz for our students for their overall development. Maths quiz was a hands on experience for our students in which they were asked to run the horses of their mind to find the answers of the quiz.

# FORGIVENESS DAY

Global Forgiveness Day is observed on July 7 every year to encourage the art of forgiving. To make children understand how forgiving and forgetting can keep them at peace and nurture their relationship in a positive way. Students made Sorry cards to seek forgiveness from their near and dear ones.

# WORLD POPULATION DAY

The World Population Day is being observed all over the world on July 11 every year. Our school too made children aware about the importance of keeping the population under control. Students made informative posters in order to contribute to the challenge. Being a curious generation, students showcased their views through the activities which are thoughtful and beneficial.
