“Forever in our Hearts: Honouring the legacy of a remarkable soul.”

In the hall where wisdom flows,
Our Chairman's teachings gently rose,
Lessons profound, beyond mere lore,
Echoing values we can't ignore.

Integrity, his guiding light,
A beacon shining, ever bright,
Honesty, a virtue true,
His teachings framed in moral hue.

Compassion, in his every deed,
Kindness sown like fertile seed,

Empathy, a precious art,
He taught us to embrace each heart.

In remembrance, let us strive,
These values, in our hearts, revive,
Our Chairman's legacy, let it shine,
As we embrace each cherished line.

May these values shape our way,
Guiding us through each new day,
With gratitude, we fondly glean,
Lessons learned from our Chairman serene.

LIFE SKILL SEMINAR LOVE FOR ANIMALS

With the aim to educate & sensitize our children towards pet care, the school has organised a seminar on the topic “Love for Animals” for the pre-primary grade. Our children were apprised about prevention against animal cruelty. The school had arranged a mice for the same and all the children expressed their love & kindness. “Education is one thing no one can take away from you.”

An educated mind is one of the most valuable resources to have in life. As technology grows and we move forward, education is becoming better by day. The quality and techniques of teaching play a major role in capturing and grasping the attention of the young minds. Here at Lovely Group of Schools, we aim at augmenting our students' overall performances by bringing in improvisations at our school from infrastructure to introducing better technologies, adding more extra-curricular activities promoting overall development. This month has empowered our strive for children to apply what they have learned here at school.
