

## FOUNDER CHAIRMAN

DR. R.P. MALIK

Imagination is more important than knowledge. For a while knowledge defines all we currently know and understand, imagination points to all we might yet discover and create. Sir personally believed that an education system that develops the imagination of the child is richer than the one that does not. The imagination is where new ideas are created and progress becomes possible. "Imagination is more important than knowledge" because knowledge is about what we already know, whereas imagination is what moves individuals and cultures forward.

Beacon of Wisdom and Leadership on our quest for Excellence

## CHAIRPERSON'S MESSAGE

DR. S.D. MALIK

As we step into the colorful month of October, a month which brings with it a sense of excitement and joy, primarily because of the splendid festivals it houses. Always remember the values of compassion, unity, and kindness that these festivals symbolize. Share your joy with those less fortunate and be a source of light in someone's life. I also want to highlight the importance of academic excellence and the pursuit of knowledge. Let this month be a time to refocus on your studies, set new goals, and work diligently towards achieving them. Keep reading, learning, and spreading the light of knowledge.

"A SHINING BEACON OF LEADERSHIP"

DR. INDER MALIK  
(President)

## PRESIDENT'S MESSAGE

"A true pioneer, always seeking new horizons"

Darkness cannot drive out darkness: only light can do that. Education is the all-round development of a child — body, mind & soul. Education teaches how to think, not what to think. Once a pupil's mind gets enlightened, it can't move back to darkness. As the leader of the team, I mentor my teachers to build bridges with their students, to help them to cultivate minds & transmit civilization and disseminate culture. In this auspicious month of festivals, May Lord Ganesha empowers you with focus and wisdom to shine bright in your studies.... Wishing you a very Happy and Prosperous Diwali.

## PANGOT CHRONICLES

**An expedition of discovery and growth.**

As we ventured into the wilderness with students, each day unfolded like a chapter in a thrilling novel. From the mesmerizing vistas to the lifelong friendships, it was a kaleidoscope of experiences that left us in awe.

**Mr. Satyam Malik**  
Director

**“May the spirit of learning shine as bright as Diwali lights.”**

The world today is changing at a rapid rate and our school is well equipped to prepare our children for challenges that the future holds. The education we impart in our school matches this advancement in technology in the era of globalization along with equal emphasis on moral values and principles, which has been highly visible in their results of Mid-Term this year. I congratulate my students on the successful completion of Term I. Your dedication to learning, your perseverance through challenges, and your enthusiasm for making the most of your educational journey are truly commendable. In this month of festivals now it's time for the brightest celebration of Diwali. May this Festival of Lights bring joy, prosperity, and success into your lives. Wishing you all a Happy Diwali and continued success in your studies.

## SPECIAL ASSEMBLY

LPES has conducted special assemblies of classes V and VIII on 13th and 20th October themed 'change is the new tomorrow' and 'kaleidoscope' respectively. The theme taken was based focussing on sustainable development like gender equality, unity in diversity, zero hunger, child labour etc. The event started with the divine sound of Durga Stuti, English prayer and welcomed everyone with a soulful song. The assembly was mainly based on the popular play of Shakespeare- King Lear where the soul stirring performance of the students mesmerized everyone. The facial expression, voice modulation and confidence of the students were praise worthy. The dribbling balls, Mime Act, New dance form Tutting and the act on Self Defense rendered resounding applause from the audience. The event was graced by kind presence of our school Director Mr. Satyam Malik Sir.

## INTERBRANCH MATHS FEST RESULT DECLARATION

Without Maths there is nothing you can do, Everything around you is Mathematics. Everything around you is number.

Class	Position	Event Name	Winner's Name
III	1	PPT	Vridhi Jain, Kayra Singh

IV	Cons.	Mental Marathon	Sunanya, Himani
V	2	PPT	Aahil Ahmed Ansari
VI	1	Integrated Maths Hunt	Aditya Nehra
VIII	3	Integrated Maths Hunt	Mihika

## CELEBRATIONS

**Instilling values, knowledge, confidence...!**

The school believes in celebrating each festivals and events with 100% participation & ensures holistic development of all children.

### WORLD FOOD DAY

### WORLD STUDENT'S DAY

### NATIONAL UNITY DAY

### VALMIKI JAYANTI

### GANDHI JAYANTI

# SWACHHTA PAKHWADA

**Cleanliness begins with you, me and all!**

# Language Fest

**VIBRANT TAPESTRY OF LANGUAGES**

We recently celebrated the wonderful linguistic diversity by hosting a Language Fest, an event that showcased the mosaic of languages and cultures. The festival was a kaleidoscope of linguistic treasures, bringing together students and teachers in a celebration of multiculturalism, inclusivity, and the power of words. This Fest reminded us of the immense power that words and languages hold.

# SPECIAL ASSEMBLY

The special assemblies for grade 1 and grade 4 were both memorable events. Grade 1 students celebrated "Women Warriors" by dressing up as inspiring female figures from history and sharing their stories with enthusiasm. In grade 4, the "Edu Saga" function explored the evolution of education over time, in which students presented the skit and cultural items on the history of schooling from ancient times to the present, making it an educational and engaging experience for all.
