"Children are the future and the most valued treasure of a strong and prosperous nation."

We are living in a fast changing world, a changing society, progressing at a galloping speed, impact of science, scientific research, technological development, globalization on our daily life is vibrant and unavoidable, So the need to be geared up for tomorrow is for greater than ever before. Opportunities before us are immense and the task is onerous. With this mind, we continue to march steadily towards our aim to provide responsible citizens who will participate in nation building. It's a fact that the progress of nation depends upon the quality of its teachers, so along with providing responsible citizens, teacher effectiveness and efficiency is the goal of the institution.

"For everyone of us that succeeds, its because there's somebody there to show you the way out" We're one of them.

Dr. (Mrs) J.S. D. Malik

Dr. Inder Malik

President's View

"Try not to become a person of success, but rather try to become a person of value."

One of our core beliefs about academic success is that hard work, determination, and consistent effort are key elements in achieving success. All of the above is only possible within a firm but with fair code of discipline. This institution envisages an all around and balanced education based on sound intellectual, physical, moral and social formation. Special stress has been laid on the character formation and development of personality. The aim is to make students erudite, patriotic, law abiding and ceaselessly seeking excellence, with a deep concern for all especially the weak and the poor sections of the society. Whatever you have learned from this institution will enable you to stand in a good stead in every situation. It will guide and make your life successful and happy. Take up one idea. Make that one idea your life—think of it, dream of it and live on that idea. Let the brain, muscles, nerves, and every part of your body be full of that idea and leave every other idea alone. This is the way to success. Your belief, courage, patience, and hard work will surely lead you ahead and give you a bright future. My good wishes are always with you and I wish you all the best.

TEACHER'S DAY CELEBRATION

"The best teachers don't give you the answer, they spark within you the desire to find the answer yourself."

There is no doubt that being a teacher is a noble profession that deserves an equal amount of love and respect as any other profession. Teachers' Day 2022 in India is celebrated every year on September 5 to mark the birth anniversary of Dr. Sarvepalli Radhakrishnan. He was a former President of India, scholar, philosopher and Bharat Ratna recipient. On Teachers' Day 2022, students all over the country pay respect and tribute to their teachers.

MR. SATYAM MALIK

"We want that education by which character is formed, strength of mind is increased & the intellect is expanded."

Striving for a vibrant and dynamic academic atmosphere is a holistic task nowadays. So the aim of Lovely Group of Schools is to make learning an enriching, fulfilling and enjoyable experience through a multidisciplinary approach. We focus not only on 'what is taught' but also 'the way it is taught'. The curriculum is designed to be socially relevant, nationally important, and globally significant. Nurturing and fostering critical thinking and problem-solving attitude among students is imperative in our school. Hence, our persistent efforts are always aimed to leverage the intellectual and emotional capabilities of students and encourage the free and spirited exchange of ideas of our new generation. It is a collective endeavour of all of us to promote an inspirational, motivational, value-based academic and administrative environment for the students.

Keeping the festive spirit alive, let us all invoke the blessings of Goddess Durga in the auspicious days of Navratri. I wish Happy Dusshera and Vijaya Dashmi to all of you. May the brightness and happiness of celebrations fill your coming year with the best of opportunities to prosper and write new stories of success!
