ATHLETIC EVENT 2021-22 (CLASS - NUR TO VIII)

Sports is the way human beings test and surpass their limits of discipline, persistence, compassion and dedication. Therefore, Lovely group of schools conducted Athletic meet for the students of grade Nursery to VIII on 22nd December. It was conducted on virtual platform via Zoom and Videos. There were various events like different kinds of races, match etc. The main motive for conducting this motive of athletic meet was to inculcate the spirit of sportsmanship and motivate our champions to enhance their physical abilities and skills. Great enthusiasm was observed among the students.

congratulations!

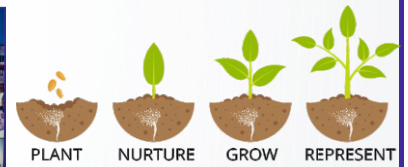

Champions are not made in heaven, Champions are made from something they have deep inside them - A Desire, A Dream and A Vision"

Lovely Public English School focuses not just on the academic development of the students but also teaches them to be a good and responsible human being. School stresses on the importance of protecting our environment. So as to sow the seeds of love towards nature a seed germination activity was conducted in school on 8th of December. Teacher explained the procedure method in a playful way using various teaching aids, about what all a seed requires to grow into a plant. Children were asked to observe their pot for a couple of days. It gave them the opportunity to see how a seed grows and what actually happens under the ground! Their happiness was on the peak when they saw a little plant coming out. The seed growing activity turned out amazingly well, and the kids loved checking on the progress each day!
