FOUNDER CHAIRMAN'S MESSAGE

Dr. R.P. MALIK
Founder Chairman

In the cradle of learning, he planted the seed, Dr. R.P. Malik, a leader indeed. With dreams as vast as the open sky, He built our school, where ambitions fly. His wisdom shines in every hall, A guiding star for one and all. Through challenges faced, he stood so strong. In his vision, we all belong. With every step, he paved the way. For brighter tomorrows, for a better day. His words of wisdom, a gentle guide, In every heart, his spirit resides. Respected Founder, a name held high, In your shadow, we reach the sky. Your legacy lives in all we do, With deepest respect, we honor you.

CHAIRPERSON'S MESSAGE

Dr. (Mrs.) S.D. Malik
Chairperson

"Education is not just the acquisition of knowledge, but the cultivation of character, the nurturing of creativity, and the awakening of a lifelong curiosity. It is the key to unlocking the potential within every individual and the foundation upon which we build a better future."

Education's true goal extends beyond mere academic learning; it aims to instill values such as wisdom, compassion, courage, humility, integrity, and reliability in students. By fostering these qualities, education prepares individuals to contribute positively to society, navigate challenges with resilience, and lead with empathy and ethical principles.

As we approach the exam period, it's important to remember that education is more than rote learning. It's about developing critical thinking, resilience, and a strong sense of purpose.

In these coming weeks, focus on your studies with dedication and strategic planning. However, remember to balance your efforts with moments of rest and relaxation. Taking care of your well-being is crucial to perform your best.

Extending the Best wishes to everyone.

MANAGING DIRECTOR'S MESSAGE

Dr. Inder MALIK
Managing Director

"As we step into the new month, I extend my warmest wishes to our entire school community. I hope this month brings new opportunities for growth, learning, and success. I am proud of our students' achievements and efforts so far, and I encourage them to continue striving for excellence.

This month, we celebrated some significant days that remind us of important values. Buddha Purnima, teaches us the importance of compassion, kindness, and self-reflection. Forgiveness Day encourages us to let go of grudges and embrace understanding. And, Parents' Day is a reminder of the love and support our families provide us.

Let us take inspiration from these days and work together to create a harmonious and supportive environment in our school. I wish you all a happy and fulfilling July. Keep shining and making us proud!"

"WHERE WORDS WEAVE WONDERS"

Our school recently hosted a vibrant Hindi essay writing competition at the zonal level, bringing together students from various schools to showcase their writing prowess. The event featured a range of engaging topics, encouraging participants to express their ideas and creativity in Hindi. This successful event underscores our commitment to promote excellence in language and literary expression.

"LEAGUE OF INNOVATORS"

VISION IAS's venture, Infinity Vision, hosted the Science Premier League in two stages. After excelling at the school level, our Class IX students secured 1st place at the second level and won a cash prize of ₹20,000. This remarkable achievement was made possible by the steadfast support of our Managing Director, Dr. Inder Malik sir.

Mr. SATYAM MALIK
DIRECTOR

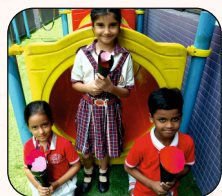

“Believe in yourself, work hard, and never stop learning. Your future is as bright as you choose to make it.”

As we embark on another promising academic month, I extend my warm welcome to each member of Lovely Group of School. Let us approach each day with aspirations, dreams, enthusiasm and commitment.

Our school is a place of learning, growth, and endless opportunities. We believe in the potential of every student and are committed to providing a safe, inclusive, and supportive environment where you can thrive.

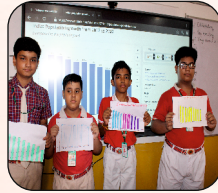

The love of a parent is life's greatest blessing.....

Parental love is the only love that is truly selfless, unconditional, and forgiving." National Parents Day was celebrated with a series of activities designed to honor and recognize the vital role of parents in the lives of their children. The event aimed to strengthen the bond between parents and students. Schools organized activities such as card making, flower making, and other creative projects, enabling students to express their gratitude and love for their parents in meaningful ways

WORLD POPULATION DAY “To Leave No One Behind, Count Everyone”

World Population Day highlights the urgency of addressing population-related challenges that impact our planet and societies. So the students of Lovely group of schools celebrated this day by doing different activities like poster making, slogan writing and graphical display of population of India etc. All the students participated enthusiastically. The values were inculcated in students like be responsible, save our nature, Control population growth and ensure a healthy planet.

HONOURING HEALTH HEROES

Our school celebrated Doctor's Day with enthusiasm, recognizing the vital role of medical professionals. Students participated in creative activities and presentations to honor doctors for their dedication and care. The event was a meaningful tribute to those who make a difference in our lives.

“Embracing Forgiveness”

Let your wings of forgiveness flutter and take you into a garden where the flowers of peace blossom

Global forgiveness day is observed on July 7 every year to encourage forgiveness as a part of an element of personal health. Forgiveness brings a kind of peace that allows you to focus on yourself and help you go on with life. Different activities were organised in our school to celebrate this day. Our students made sorry cards for their friends and teachers. All the students participated with great zeal.

“A Tribute to Our Gurus”

Guru Purnima celebration in school was a heartfelt tribute to our esteemed teachers. Students expressed their gratitude through handmade cards, honoring the invaluable guidance and wisdom of their mentors. This fostered a deep sense of respect and appreciation, reinforcing the bond between students and teachers.

TECH VOYAGE A computer Fest

Computer Fest was a thrilling success, featuring exciting coding contests, tech demos, and interactive activities. Students showcased their technological talents and innovative ideas, making it a day full of learning and inspiration. The event highlighted the dynamic world of computing and its endless possibilities.

RHYTHM AND MOVES

Dancing is a way to stay fit and also a great way to develop self confidence. We took one step ahead to make our little champs to hone their skills and practice creative visualization through intra school dance competition.

The aim of the competition was to develop creativity and improve motor skills and visualization among the learners. All the participants dressed in colourful costumes, twirled around and performed their dance forms enthusiastically.

STEM EXHIBITION

The STEM exhibition witnessed great enthusiasm and blooming participation from children of diverse classes, who had the unique opportunity of exploring as well as expressing their creative scientific ideas in the form of activities, models and projects. The event gave a diverse hands on experience to children, wherein they could translate the theoretical scientific principles into the mode of application in the form of observable phenomena. This event led the children from the realms of theory into the arena of practicum.

“Empowerment through Skills”

A comprehensive life skill seminar was held at our School under the esteemed guidance of Mr. Satyam Malik Sir. The seminar was conducted by Ms. Sahibaa aimed at fostering the holistic development of students from classes 2 to 8.

The seminar was a significant step towards enhancing the personal growth and development of students, importance of accepting one self and others, equipping them with vital life skills necessary for their overall well-being and success, good grooming habits and to boost student's self esteem and confidence.

BISCUIT FACTORY VISIT

The students of class III to V got an opportunity to witness the making of biscuits and toffees in Parle Biscuit Factory. The visit was organised by HT City in collaboration with our school. Parle has been the most favourite brand amongst children filled with nostalgia of our childhood. Children went to visit the factory on 26th July 2024. A documentary was shown on the making of Parle toffee. Useful insights were given on how a yummy toffee that we eat is made using machines and technology. Children enjoyed the visit and learnt a lot about baking confectionery and the brand itself.

Theatre Adventure

The movie excursion organized by HT was an enjoyable and memorable outing. Students gathered to watch a film, fostering a sense of camaraderie and shared excitement. This excursion provided a refreshing break from routine, enhancing their collective spirit and creating cherished memories.

Kindness Journey

The students' visit to the orphanage was a heartwarming experience filled with smiles and laughter. Engaging in various activities, they shared moments of joy and companionship with the children. This visit fostered a sense of empathy and community services, leaving a lasting impact on both the students and the orphanage residents.
