Parent's View

PARENTS OF ANMOL DIXIT
CLASS 4A

Anmol has flourished at this school, largely due to its dedicated teachers and supportive environment. The school's commitment to balancing academic rigor with emotional well-being has fostered Anmol's strong academic, social and emotional growth. We are very pleased with Anmol's progress.

Sowing a seed till it becomes a plant is the tougher job because the right amount of water, sunlight and manure are most important to grow up and become a good and strong tree. Nurturing a child is a similar process – the right amount of knowledge and timely training are most important. It helps the child become responsible and disciplined, which is the most challenging job. Kudos to Lovely Public English School for providing such a positive environment. Thank you is such a small word for all the hard work. I am so grateful that my daughter has the opportunity to learn in your prestigious organization.
